LB 152, 884

PRESIDENT: Senator Johnson, do you want the floor now or a little later? The Chair recognizes Senator Rod Johnson. May we have order in the Chamber, please.

SENATOR R. JOHNSON: Mr. President and members, I just want to express on behalf of my fiancée's family and their thanks to many of you for the letters and cards that you sent to them on the tragic loss of Mr. Leininger to a very unfortunate event. I know that they wanted me to pass this along to you because they do appreciate the kind remarks and sympathies that were sent along to them during this hard week that they had to pass through. So with that, thank you, Mr. President.

PRESIDENT: Thank you, Senator Johnson. Senator Beyer, are you ready for the handling of Senator Schmit's motion?

SENATOR BEYER: Okay. Mr. Speaker and colleagues, through a bill drafting error on LB 152 that was passed on Final Reading, we need to bring it back to Select File and correct that error. So I would appreciate the support to bring it back.

PRESIDENT: Motion is to reconsider the passage of LB 152. Is there further discussion? The only thing we can do this morning is reconsider the final passage. The appropriate amendments are not ready but we will go ahead and see if we can get this through. It will require 30 votes to reconsider the passage of LB 152. Is there any further discussion? If not, all those in favor of the Beyer motion vote aye, opposed vote no. We are voting to reconsider the passage of LB 152 because of a bill drafting error. 30 votes are required. Please record your vote. The Clerk will record the vote.

CLERK: 31 ayes, 0 nays on the motion to reconsider the bill's final passage, Mr. President.

PRESIDENT: The motion prevails and the bill is up for reconsideration. Now then we move to General File, Appropriations measures. I assume, Senator Warner, you are in good fettle today and ready for the battle. LB 884.
